RE: 2006 Update, Michigan Court Administration Reference Guide

The Michigan Court Administration Reference Guide, as updated through May, 2006, has been posted to the State Court Administrative Office website at:

<http://courts.michigan.gov/scao/resources/publications/manuals/carg.htm>

The Guide has undergone substantial revision. If you have downloaded this publication from our website, please replace the entire publication. An index of all references to documents maintained outside of the Guide, and their associated links, is also available from the website. It is recommended you not maintain these materials in a paper version of the Guide because they can become outdated quickly.

If you have any questions about this publication, please contact me at 517-373-4864.
